

## THAT'S ALL RIGHT (THE JIMMY ROGERS ALL-STARS)

VERSE 1. 2. 3.

You told me baby once upon a time  
You said I might be yours, you would sure be mine  
That's all right  
I know you don't love me no more, baby, but that's all right  
Every night that I wonder who is loving you tonight

You told me babe, your love for me was strong  
I woke up this morning, ?? was gone  
But that's all right, I know you love some other man  
But that's all right  
Every night I wonder who is loving you tonight

You loved me, baby, you drive me insane  
You put me down just to go with some out-of-sight man  
But that's all right, I know you love some other man  
But that's all right  
Every night that I wonder who is loving you tonight

----- SOLOS-----

VERSE 4. 5. 6.

I would love to look at your face  
I would love to see your smile  
It's giving me great consolation just to see you once in awhile  
That's all right, I know you're in love with some other man  
But that's all right  
Every night I wonder who is loving you tonight

You loved me, baby, just didn't understand  
Now I see you off running around with some other man  
But that's all right, say you love some other man  
But that's all right  
Baby now I wonder who is loving you tonight

Please tell me, babe, what is wrong with you?  
You don't seem to have ?? like you used to do  
That's all right, I know you're in love with some other man  
But that's all right  
Every night that I wonder who is loving you tonight.
