

I Want to Be Loved (Muddy Waters)

[Verse 1]

The spark in your eye sets my soul on fire
Your voice is like the angels above
The touch of your hand drives me insane
But baby, I want to be loved.

[Verse 2]

I'm crazy about every little thing you do
I cherish the way you hug
Your kiss is so sweet it just can't be beat
But baby I want to be loved.

----- Solos -----

[Bridge]

Every time I ask you for a date
You don't come at all or you mighty late
I ask you to dance a little spin
You said wait a minute daddy, here come my friend.

[Verse 3]

I like the way you walk when you passin' by
Even when you try to snub
The touch of your hand drives me insane
But baby I want to be loved.
